St. Peter's Church to be refurbished

St. Peter's Church building will be closed for refurbishment from 11th September to 9th December 2017. During this time the church will be redecorated, the pews in the central and rear areas of the church will be replaced with chairs and the floor will be restored and re-carpeted.

Whilst the church building is closed, Sunday services will be held in the Memorial Hall, Welford (see additional details of services in this update).

We will be celebrating the re-opening of St. Peter's Church building on the weekend of the 9th/10th December and in the following Christmas Season, with events at which all are welcome - watch this space for details.

Robert Springett, Bishop of Tewkesbury, will be joining us for a special service on Sunday 10th December to celebrate the re-opening of St. Peter's Church. The service will start at 10.30 a.m. and will be followed with celebratory light refreshments. All are welcome.
